**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On October 20, 2014, Skyline Medical Inc. (the “Company”) filed an amendment to its certificate of incorporation with the Delaware Secretary of State to effect a 1-for-75 reverse split (the “Reverse Split”) of its common stock, par value \$0.01 per share and to reduce the number of authorized shares of its common stock to 10,666,667 shares from 800,000,000 shares. The Reverse Split is effective on October 24, 2014. Immediately following the effectiveness of the Reverse Split, there were approximately 3.0 million shares of the Company’s common stock outstanding. As previously disclosed on an Information Statement on Schedule 14C filed on January 24, 2014, the Reverse Split was approved by the Company’s board of directors and stockholders on December 31, 2013, and the ratio was subsequently approved by a committee of the Company’s board of directors.

Our transfer agent, Corporate Stock Transfer, Inc., is acting as exchange agent for the reverse stock split and will send instructions to stockholders of record regarding the exchange of their certificates for post-reverse stock split certificates. If the Reverse Split would result in the issuance of any fractional share to a stockholder, the stockholder will receive one whole share in lieu of the fractional share. The number of shares of common stock issuable upon exercise or conversion of all outstanding convertible preferred stock, options, warrants and convertible debt, and the associated exercise or conversion prices, will be adjusted accordingly for the Reverse Split. Our post-Reverse Split common stock will have a new CUSIP number, 83084T 309. Subject to a final announcement by FINRA, we expect that beginning with the opening of trading on October 28, 2014, our common stock will trade on the OTCQB on a split-adjusted basis under the same symbol (“SKLN.QB”), although a “D” will be placed on the ticker symbol for 20 business days to alert the public to the Reverse Split.

The foregoing description of the amendment to our certificate of incorporation is qualified in its entirety by reference to the Certificate of Amendment to the Certificate of Incorporation, which is filed as Exhibit 3.1 hereto and incorporated herein by reference.
